Welcome to the 35th Greystones Summer Project

Thanks to Board of Management of the Greystones Educate Together this year's Greystones Summer Project will use the Educate Together as its base. We have an action-packed week planned with something for everybody from tours and art and crafts, to sports and music.

We are very proud to be involved in the GSP, which was founded in 1980 and is one of Ireland's longest running summer projects. We are all members of the Greystones community and organise the GSP on a voluntary, non-profit-making basis.

None of this would be possible without a huge amount of help, so we ask parents to supervise activities and tours. We need each parent to help out at two sessions. The GSP brings the community together, so please donate some of your time – we cannot run the GSP without you.
